Deposits

During the year, your Company has not accepted any deposits under the provisions of Chapter V of the Companies Act, 2013 and the rules made there under.

Subsidiary/Joint Ventures/Associate Companies:

The Company does not have Joint Ventures/Associate Companies. The Company has One Subsidiary Company "The Motwane Manufacturing Company Private Limited".

Loans, Guarantees or Investments

Details of Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013 form part of the notes to the financial statements provided in this Annual Report.

Management Discussion and Analysis

a) Economy review:

The long-term growth perspective of the Indian economy is changing due to good governance, stable policies and good initiatives like smart cities. Your Company (through its Subsidiary) is in the business of manufacturing electrical equipment, a significant portion of which is supplied to the power sector which has continued to be affected by the political & economic situation. We hope to see a gradual recovery.

b) Business and Industrial review and future outlook:

The Company mainly operated on Metal Recovery Plant and produces Low Ferro Manganese (Slag) through its slag recovery process. However, the re-useable waste of fine particles remaining in the manganese slag which was dumped at various places at the factory site is depleting and it is uncertain how much slag is left. The technical consultants are also of the same view.

The management of the Company has foreseen this & thus entered another segment of business couple of years earlier via a majority stake in "The Motwane Manufacturing Company Private Limited", now a subsidiary company and is looking to develop its business in electrical sector. The company is also looking at other business opportunities including monetizing its assets and redeployment of the same in better business opportunities.

c) Risks, Concerns & Threats:

Depletion of slag dumps posed a major problem for the Company. In order to counter this, the Company entered into another business through its subsidiary company "The Motwane Manufacturing Company Private Limited" and is looking to develop it. The Management of the Company meets frequently to take the stock of all the impending and immediate threats to the business and takes necessary steps for positioning of the Company to meet the same in time. Any major threats affecting the Company in general and business environment indirectly affecting the functioning of the Company are discussed with the Board from time to time.

d) Internal Control Systems:

The Company has adequate internal control systems in place with reference to the financial statements. The Audit Committee of the Board periodically reviews the internal control systems with the management, Internal Auditors and Statutory Auditors and the adequacy of internal audit function, significant internal audit findings and follow-ups thereon.

e) Financial Performance / Overview of Operations:

During the year under review, the revenue from operation of the Company increased to Rs. 15.48 Lakhs from Rs. 8.68 Lakhs in the previous year. This marginal increase is due realizations of Ferro Manganese slags in 2017-2018 and sale of the same.

Subsidiary Company and Consolidated Statements

Your Company has one subsidiary i.e 'The Motwane Manufacturing Company Private Limited' (MMCPL). During the financial year 2017-18, total revenue of the MMCPL has increased to Rs. 29.67 crores from Rs. 21.81 crores in the previous financial year and the net profit of the Company is Rs. 6.66 Lakhs against a loss of Rs. 23.89 Lakhs in the previous financial year. MMCPL has also started export operations during the previous year and has successfully exported to 10 countries during the financial year 2017-18.

The Consolidated Financial Statement of your Company for the financial year 2017-18, are prepared in compliance with applicable provisions of the Companies Act, 2013, Indian Accounting Standard and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Consolidated Financial Statements have been prepared on the basis of audited financial statements of the Company, its subsidiary, as approved by their respective Board of Directors.

Pursuant to sub-section (3) of section 129 of the Act, the statement containing the salient features of the financial statement of Company's subsidiary is given as AOC -1. Brief particulars about the business of the Subsidiary are given hereunder.

MMCPL is an R & D based company and has developed various high technology test and Measurement products which have applicability in the domestic and international markets. The company's products are sold primarily to the power sector and energy intensive industries. The company expects gradual pick up in its order book due to growth and reform in the distribution sector in which the company operates. Alternatively, it is exploring its potential in the IOT space in adjacent areas like smart lighting and other IOT related industrial solutions.

f) Material developments in human resources / industrial relations, including number of people employed

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees.

During the year under review, various training and development workshops were conducted to improve the competency level of employee with an objective to improve the operational performance of individuals. The Company has built a competent team to handle challenging assignments and projects.

The Company has 17 permanent employees as on March 31, 2018.

Risk Management

The Company is aware of the risks associated with the business. The Management regularly analyses and takes corrective actions for managing / mitigating the same. In terms of the requirement of the Act, the Company has authorized Management to manage, monitor and report on the principal risks and uncertainties that can impact the ability to achieve the Company's strategic objectives. The Senior Management periodically informs the board on various issues along with its recommendations and comments for Board's review and necessary action.

Statutory Auditors, their Report and Notes to Financial Statements

M/s. Parekh Sharma and Associates, Chartered Accountants (Firm Registration No. 129301W) were appointed as the Statutory Auditors of the Company as per the provisions of Section 139 of the Companies Act, 2013 to hold office from the conclusion of the 21st Annual General Meeting (AGM) held on September 28, 2017 until the conclusion of the Fifth consecutive AGM of the Company to be held in the year 2022 (subject to ratification of their appointment by the Members at every AGM held after the AGM held on September 28, 2017).

Further, in accordance with the Companies Amendment Act, 2017, enforced on May 07, 2018 by the Ministry of Corporate Affairs, the appointment of Statutory Auditors is not required to be ratified at every Annual General Meeting. Therefore, it is not proposed to ratify the appointment of auditors at the ensuing Annual General Meeting.

The Notes on financial statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments. The Auditors' Report does not contain any qualification, reservation or adverse remark.

Details in respect of Frauds Reported By Auditors

During the year under review, the Statutory Auditors and Secretarial Auditor have not reported any instances of frauds committed in the Company by its or Employees to the Audit Committee under section 143(12) of the Companies Act, 2013, details of which needs to be mentioned in this Report.

Secretarial Auditor

In terms of Section 204 of the Companies Act, 2013 and the rules made there under, M/s. DSM & Associates, Practicing Company Secretary (Certificate of Practice Number : 9394) have been appointed Secretarial Auditors of the Company. INDEPENDENT AUDITORS' REPORT

To

The Members of

NAGPUR POWER AND INDUSTRIES LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying financial statements of **NAGPUR POWER AND INDUSTRIES LIMITED**, which comprises Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss Account (including Other Comprehensive Income), Statement of Cash Flow and Statement of Changes in Equity, for the year ended 31st March 2018 and a summary of significant accounting policies and other explanatory information (Herein after referred to as "Standalone Ind AS financial statements").

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of Standalone Ind AS financial statement in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk

assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors as well as evaluating the overall presentation of the Standalone Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations furnished to us, the aforesaid standalone Ind AS financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS;

- a) of the State of affairs (financial position) of the Company as at March 31, 2018;
- b) of the Profit (financial performance including Other Comprehensive Income) for the year ended on that date;
- c) of the Cash Flows for the year ended on that date; and
- d) of the Changes in Equity for the year ended on that date.

Other Matters

The comparative financial information of the Company for the year ended 31 March 2017 and the transition date opening balance sheet as at 1 April 2016 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditors whose report for the year ended 31 March, 2017 and 31 March, 2016 dated 30th May, 2017 and 27th May, 2016 respectively expressed an unmodified opinion on those standalone financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS, which have been audited by us.

Our opinion is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) order, 2016 ("The Order") issued by the Central Government of India in terms of sub section (11) of section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in the paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that :
 - a) We have obtained all the information and explanations which to the best our knowledge and belief were necessary for the purpose of audit.

- b) In our opinion proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian accounting standards referred to in the Section 133 of the Companies Act, 2013 and read with relevant rule issued thereunder.
- e) On the basis of representations received from the directors as on Mar 31, 2018 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act ; and
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements. Refer Note 31 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH 2018**Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Nagpur Power And Industries Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards of Auditing, issued by the Institute of Chartered Accountants of India prescribed under Section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and

directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2018. However it has been informed by the management of the company that there are adequate informal controls over the operations of the company which requires to be documented based on the requirements of Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ICAI.

Opinion

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company, and the disclaimer do not affect our opinion on the standalone financial statements of the Company.

Notes on Financial Statements for the year ended 31st March, 2018**Note - 1 Significant Accounting Policies****1. Corporate Information**

Nagpur Power And Industries Limited ('NPIL' or 'The Company') is a limited Company incorporated and domiciled in India.

The Company is a public limited company and its equity shares are listed with Bombay Stock Exchange ("BSE") in India.

The registered office of the Company is situated at 20th Floor, Nirmal Building, Nariman Point, Mumbai- 400021.

2. Statement of Compliance

These financial statements are prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rules, 2015 as amended by the Companies (Indian Accounting Standard) Rules, 2017 notified under section 133 of the Companies Act, 2013, the relevant provisions of the Companies Act, 2013 and the guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

These are the Company's first Ind AS financial statements. The date of transition to Ind AS is 1st April, 2016. The Company has availed first time adoption exemption as per Ind AS 101 (Refer Note 34 for details).

Upto the year ended 31st March 2016, the Company prepared its financial statements in accordance with previous GAAP, which includes Standards notified under the relevant provisions of Companies Act, 2013 as applicable and the guidelines issued by the Securities and Exchange Board of India (SEBI), as applicable.

In these financial statements for the year ended 31st March, 2018, the financial statements for the previous year 31st March, 2017 and Balance Sheet as at 1st April, 2016 have been prepared and presented as per IND AS for like-to-like comparison.

3. Basis of Preparation

The financial statements of the Company have been prepared and presented on the going concern basis and at historical cost except for the following assets and liabilities which have been measure at fair value.

- Certain financial assets and liabilities at fair value (refer accounting policy regarding financial instruments)
- Employee's Defined Benefit Plan as per actuarial valuation

4. Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5. Use of Estimates

The preparation of financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

6. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

7. Overall Consideration

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

8. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

- Sales are recognized on transfer of significant risks and rewards of ownership of the goods to the buyer as per the terms of contract and no uncertainty exists regarding the amount of consideration that will be derived from sales of goods.

It also includes excise duty (as it is a liability of the manufacturer which forms part of the cost of production, irrespective of whether the goods are sold or not) and price variation based on the contractual agreement.

It measured at fair value of the consideration received net of sales tax/ value added tax and discounts.

- Dividend Income is recognized in the Statement of Profit and Loss only when the right to receive the income is established.
- Interest income is recognized using time proportion method based on the rates implicit in the transaction and the amount outstanding.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed as set off.

Items such as a spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization

Depreciation is recognized on a straight-line basis, based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013, except in respect of certain category of assets, where useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Assets where useful life differs from Schedule II:

Description	Range of Useful lives in years
Buildings	3 – 10 years
Plant & Equipment	7 - 10 years
Heavy Vehicle	2 years
Office Equipment's	3 - 4 years
Railway Siding	7 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the

above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

11. Intangible Assets

Intangible assets are stated at cost of acquisition, less accumulated amortization/ depletion and accumulated impairment losses, if any, are amortized over a period of 3 years.

Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss.

12. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

13. Inventories

Inventories of raw materials are stated at lower of cost or net realizable value. Work in process is stated at cost. Stores, spares & tools are stated at cost except the obsolete/non usable stores, which are written off for obsolescence. Finished goods and by-products/waste products where cost is ascertainable are stated at lower of cost or net realisable value and by-products / waste products where cost cannot be determined are stated at net realisable value. The reusable waste, which is not ascertainable, is not accounted.

14. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short- term highly liquid investments with original maturities of three months or less.

15. Segment reporting

The Company is principally engaged in extraction of 'High / Medium / Low Carbon Ferro Manganese and Silico Manganese Slag' which is the only Operating reportable segment as per IND AS 108.

16. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

17. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

18. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in subsidiaries.

19. Employee Benefits

Short-term obligations:

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

20. Lease

Finance Lease

As a Lessee:

Leases, where substantially all the risks and benefits incidental to ownership of the leased item are transferred to the Lessee, are classified as finance lease. The assets acquired under finance lease are capitalised at lower of fair value and present value of the minimum lease payments at the inception of the lease and disclosed as leased assets. Such

assets are amortised over the period of lease or estimated life of such asset, whichever is lower. Lease payments are apportioned between the finance charges and reduction of the lease liability based on implicit rate of return. Lease management fees, lease charges and other initial direct costs are capitalised.

Operating Lease

As a Lessee:

Leases, where significant portion of the risks and rewards of ownership are retained by the lessor, are classified as operating leases and lease rentals thereon are charged to the Statement of Profit and Loss on a straight-line basis over the lease term.

As a Lessor:

Where the Company has substantially retained all the risks and rewards of ownership, are classified as operating leases. Lease income is recognised in the Statement of Profit and Loss on a straight-line basis over lease term.

21. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

22. Provisions and contingent liabilities

Provisions:

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

23. Investment in Subsidiaries

The investments in subsidiaries are carried in these financial statements at historical cost except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations.

When the Company is committed to a sale plan involving disposal of an investment, or a portion of an investment, in a subsidiary, the investment or the portion of the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Any retained portion of an investment in a Subsidiary that has not been classified as held for sale continues to be accounted for at historical cost.

24. Financial Instruments**Initial Recognition and Measurement:**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business. They are recognised at their transaction and services availed value as the same do not contain significant financing component.

Classification and Subsequent Measurement:**Financial Assets:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
 - (b) The contractual cash flow characteristics of the financial asset
- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
 - (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
 - (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI (FVTOCI). All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiaries and Associates are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiaries at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognize a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments**Classification as Debt or Equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- Loans and borrowings, Payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

25. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Financial Instruments : Fair values Measurement

(A) Accounting Classification and Fair Value Hierarchy

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments: Level 1: Inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Set out below, is a comparison by category of the carrying amounts and fair value of the Company's financial instruments.

Financial Instruments : Financial Risk Management

The Company's activities exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

The Board of Directors ('Board') oversee the management of these risks through its Risk Management Committee. The Company's Risk Management Policy has been formulated by the Risk Management Committee and approved by the Board. The Policy articulates on the Company's approach to address uncertainties in its endeavour to achieve its stated and implicit objectives. It also prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate risks in order to minimize potential adverse effects on the Company's financial performance.

The Board of Directors reviews and agrees on policies for managing each of these risks, which are summarized below. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, Security deposits, Loans and other financial assets	Credit ratings and Ageing analysis	Diversification of counterparties, investment limits, check on counterparties basis credit rating and number of overdue days
Liquidity Risk	Borrowings, Trade payables, Deposits from dealers and other financial liabilities	Maturity analysis	Preparing and monitoring forecasts of cash flows and maintaining sufficient cash and cash equivalents
Market Risk- Foreign Exchange	Financial assets and liabilities denominated in other than functional currency	Sensitivity analysis	Exposure limits
Market Risk- Price risk	Investment in equity instruments	Sensitivity analysis	Strategic investment
Market Risk- Interest rate risk	Security deposits	Sensitivity analysis	Periodical reset of interest rate linked to market

1 Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers and loans and advances. The carrying amount of following financial assets represents the maximum credit exposure:

(i) Trade receivables

Exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of

Notes to Financials Statements for the year ended 31st March, 2018

customers to which the Company grants credit terms in the normal course of business.

However Company is providing credit period of 15 days only to some specific customers and in other case, Company has collecting advance against sales. Therefore on reporting date all debtors were realised. Accordingly, requirement of provision is not arisen.

(ii) Financial assets other than trade receivables

Credit risk from balances with banks and financial institutions is managed by the CFO in accordance with its policy. Surplus funds are parked only within approved investment categories. Investment category is periodically reviewed by the Company's Board of Directors.

The Company held cash and cash equivalents of Rs. 3.71 Lakhs as on 31st March, 2018 (Previous year ' Rs. 3.88 Lakhs). The cash and cash equivalent's are held with bank counterparties with good credit ratings.

2 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Company's reputation.

Maturity profile of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

As on 31st March, 2018

Company's surplus funds are more than to total borrowings outstanding as on 31st March, 2018. Hence, the liquidity risk is very low.

3 Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices - will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. Management exposed to market risk primarily related to the market value of investments and interest rate risk. Thus, our exposure to market risk is function of investing and borrowing activities only.

4 Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in interest rates.

Exposure to interest rate risk

Company's interest rate risk arises from borrowings. The interest rate profile the Company's interest bearing financial instruments as reported to the management of the Company

Notes to Financials Statements for the year ended 31st March, 2018**Note - 36****First time adoption of Ind AS**

These financial statements for the year ended 31st March, 2018 are the first financial statements the Company has prepared in accordance with Ind AS. For all periods up to and including the year ended 31 March 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Accordingly, the Company has prepared financial statements which comply with Ind AS for year ended 31st March, 2018, together with the comparative information as at and for the year ended 31st March, 2017 and the opening Ind AS Balance Sheet as at 1st April, 2016, the date of transition to Ind AS

In preparing these Ind AS financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its Previous GAAP financial statements, including the Balance Sheet as at 1st April, 2016 and the financial statements as at and for the year ended 31st March, 2017.

(I) Mandatory Exceptions and Optional Exceptions availed:

IND AS 101 permits first time adopters certain exemptions from retrospective application of certain requirements under Ind AS. The Company has elected to apply the following optional exemptions and mandatory exemption under Ind AS 101:

i Estimates

On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.

ii Classification and Measurement of Financial Assets:

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

iii Fair Value of Financials Assets and Liabilities:

As per Ind AS exemption, the Company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

iv Current Borrowing:

The Company has used its Previous GAAP carrying amount of the loan at the date of transition to Ind AS as the carrying amount of the loan in the opening Ind AS Balance Sheet.

v Investments in Subsidiary:

The Company has elected to measure its investments in subsidiary the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

Notes to Financials Statements for the year ended 31st March, 2018**vi Deemed Cost for Property, Plant and Equipment and Intangible Assets:**

The Company has elected to measure all of its property, plant and equipment and intangible assets recognised as of 1st April, 2016 (the transition date), measured as per the Previous GAAP and use that carrying value as its deemed cost as of the transition date under Ind AS.

(II) Notes to Reconciliations**i Fair value of Non-current Investments i.e. Equity Instruments, other than Investment in Subsidiaries and Associates:**

Under Previous GAAP, long-term investments were measured at cost less diminution in value other than temporary. Under Ind AS, these financial assets have been classified as fair value through Other Comprehensive Income (FVTOCI). On the date of transition to Ind AS, these financial assets have been measure at their fair value which is higher than the cost as per the previous GAAP. Therefore carrying amount of non-current investment in equity instruments (other than investment in subsidiaries, joint venture and associates) are increase by Rs. 289 Lacs and recognised as gain in Other Comprehensive Income Reserve. These changes do not effect profit / loss before tax for the year ended 31st March, 2017 because the investments have been classified as FVTOCI.

ii Other Comprehensive Income (OCI):

Under Previous GAAP, there was not concept of OCI. Under Ind AS, fair valuation of Equity Investments not held for trade (other than subsidiaries) and re-measurement of defined benefit plan liability are recognised in OCI.

iii Excise Duty:

Under Previous GAAP, revenue from sale of products was presented net of excise duty under revenue from operations. Whereas, under Ind AS, revenue from sale of products is inclusive of excise duty. Accordingly, Excise duty has been included in the cost of production, as it is a liability of the manufacturer, irrespective of whether the goods are sold or not.

iv Defined Benefit Obligation:

Under Previous GAAP, the actuarial gain / (loss) of defined benefit plans had been recognised in Statement of Profit and Loss. Under Ind AS, the remeasurement loss on net defined benefit plans for the year ended March, 2017 amounting to Rs. 2.94 Lacs is recognised in Other Comprehensive Income net of tax.

(III) Disclosures as required by Indian Accounting Standards (Ind AS) 101 First Time Adoption of Indian Accounting Standards

The following reconciliations provide the explanations and qualification of the differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101:

- i Effect of Ind AS adoption on the Balance Sheet as at 31st March, 2017 and 1st April, 2016
- ii Effect of Ind AS adoption on the Statement of Profit and Loss for the year ended 31st March, 2017
- iii Reconciliation of Equity as at 31st March, 2017
- iv Reconciliation of Total Comprehensive Income for the year ended 31st March, 2017
- v Effect of Ind AS adoption on the Cash Flow Statement for the year ended 31st March, 2017

INDEPENDENT AUDITOR'S REPORT

To

The Members of,

NAGPUR POWER AND INDUSTRIES LIMITED

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated financial statements of **NAGPUR POWER AND INDUSTRIES LIMITED** ("the Holding Company"), and its Subsidiary, THE MOTWANE MANUFACTURING COMPANY PRIVATE LIMITED. (the Holding Company and its Subsidiary together referred to as the "Group"), which comprise the Consolidated Balance sheet as at 31 March 2018, and the consolidated Statement of profit and loss (including Other Comprehensive Income), the Consolidated cash flow statement and the Consolidated statement of changes in equity, for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its subsidiary in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the Companies included in the Group and of its subsidiary are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its subsidiary and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in Consolidated Ind AS

financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors as well as evaluating the overall presentation of the Consolidated Ind AS financial statements.

We believe that the audit evidence we have obtained by us and the audit evidence obtained by the other auditors in the terms of their reports referred to in sub-paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinions

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated state of affairs of the Group as at 31 March 2018 and their consolidated financial performance including other comprehensive income, their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Other Matter

1. The comparative financial information of the Group for the year ended 31 March 2017 and the transition date opening balance sheet as at 1 April 2016 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditors whose report for the year ended 31 March 2017 and 31 March 2016 dated 30th May, 2017 and 27th May, 2016 respectively expressed an unmodified opinion on those consolidated financial statements, as adjusted for the differences in the accounting principles adopted by the Group on transition to Ind AS. Our opinion is not modified in respect of this matter.
2. We did not audit the financial statements of the subsidiary company, namely, The Motwane Manufacturing Company Private Limited, whose financial statements reflect total assets of Rs. 2848.32 Lacs as at 31st March 2018, total revenue of Rs. 2981.18 Lacs and net profit of Rs. 7.79 Lacs for the year ended on that date, as considered in the consolidated Ind AS financial statements. These financial statements and other information have been audited by the other auditor whose report has been furnished to us by the management, and our opinion on the Consolidated financial statements, in so far as it relates in terms of sub-section (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditor on the separate financial statements of the Subsidiary, as noted in Other Matter paragraph above, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated Ind AS financial statements
- b) In our opinion proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books and the reports of the other auditor
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated statement of Cash flows and the Consolidated Statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of consolidated Ind AS financial statements.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian accounting standards referred to in the Section 133 of the Companies Act, 2013 and read with relevant rules issued thereunder.
- e) On the basis of written representations received from the directors of the Holding Company as on March 31, 2018 and taken on record by the Board of Directors, of the Holding company and the reports of the Statutory auditor of its Subsidiary company, none of the directors of the group is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act ; and
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, its Subsidiary and the operating effectiveness of such controls, refer to our separate Report in "Annexure A"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other Auditors on separate financial statements as also the other financial information of the Subsidiary as noted in the "Other Matter" paragraph :
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 41 to the Consolidated Ind AS financial statements;
 - ii. The group did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company incorporated in India during the year ended 31st March 2018.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT ON THE ACCOUNTS FOR THE YEAR ENDED 31st MARCH 2018**Report on the Internal Financial Controls under Clause (l) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated Ind AS financial statement of the Group as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of Nagpur Power And Industries Limited ("the Holding Company") and in respect of Subsidiary company wherein such audit of the internal financial controls over financial reporting was carried out by other Auditor whose reports have been forwarded to us and have been appropriately dealt with us in making this report as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its Subsidiary company which is incorporated in India is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and its Subsidiary company incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards of Auditing, issued by the Institute of Chartered Accountants of India prescribed under Section 143(10) of the Companies Act 2013, to the extent applicable to an audit of internal financial controls. Those Standards and Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Holding Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded

as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2018. However it has been informed by the management of the company that there are adequate informal controls over the operations of the company which requires to be documented based on the requirements of Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by ICAI.

Other Matters

Our aforesaid report under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to an associate company incorporated in India, based on the corresponding report of the auditor of such company.

Opinion

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Holding Company, and the disclaimer do not affect our opinion on the consolidated financial statements of the Company.

- Certain financial assets and liabilities at fair value (refer accounting policy regarding financial instruments)
- Employee's Defined Benefit Plan as per actuarial valuation

4. Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5. Use of Estimates

The preparation of financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

6. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

7. Overall Consideration

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

8. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefit will flow to the Company and the revenue can be reliably measured.

- Income from services is recognised (net of Service Tax /GST as applicable) as they are rendered, based on agreement / arrangement with the concerned customers.
- Dividend Income is recognized in the Statement of Profit and Loss only when the right to receive the income is established.
- Interest income is recognized using time proportion method based on the rates implicit in the transaction and the amount outstanding.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed as set off.

Items such as a spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization**Holding Company**

Depreciation is recognized on a straight-line basis, based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013, except in respect of certain category of assets, where useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Assets where useful life differs from Schedule II:

Description	Range of Useful lives in years
Buildings	3 – 10 years
Plant & Equipment	7 - 10 years
Heavy Vehicle	2 years
Office Equipment's	3 - 4 years
Railway Siding	7 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

Subsidiary Company

- (i) Depreciation on assets is provided at the on WDV Method - at rates and in the manner prescribed in Schedule II to the Companies Act, 2013 except in the case of major Plant & Machinery and Dies & Moulds. Based on the internal assessment / condition of the machinery and past experience, company has considered useful life of such plant & machinery as 20 years instead of 15 years and useful life of Dies & Moulds as 20 years instead of 8 years.
- (ii) Depreciation on additions to assets is provided on a pro-rata basis from the date of acquisition or installation.
- (iii) Depreciation on assets sold, discarded, demolished or scrapped is provided up to the date on which the said asset is sold, discarded, demolished or scrapped.

11. Intangible Assets**Holding Company**

Intangible assets are stated at cost of acquisition, less accumulated amortization/ depletion and accumulated impairment losses, if any, are amortized over a period of 3 years. Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss. PPE procured for research and development activities are capitalized.

Subsidiary Company

- (ii) Technical Know-How is amortized over period of five years from the year of commercial production.
- (iii) Research & Development Expenses are amortized over a period of five years.

12. Impairment of Assets

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

13. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short- term highly liquid investments with original maturities of three months or less.

14. Segment reporting**Identification of segments**

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

The CODM assesses the financial performance and position of the Group and makes strategic decisions. The Group's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Inter-segment transfers

Inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is based on current market prices.

Unallocated items

Revenue, expenses, assets and liabilities which relate to the Group as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

15. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

16. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction. At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

17. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in associates.

18. Employee Benefits**Short-term obligations:**

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

19. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

20. Financial Instruments**Initial Recognition and Measurement:**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business are recognised at their transaction value as the same do not contain significant financing component.

Classification and Subsequent Measurement:**Financial Assets:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both:

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and

- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiary are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiary at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments**Classification as Debt or Equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- loans and borrowings, payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded

derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

21. Research and Development Expenses (R&D)

Revenue Expenditure – Revenue expenditure incurred on R&D is capitalized and is amortized equally over a period of five years. The same is shown in Fixed Assets Schedule (PPE).

Capital Expenditure – Capital expenditure incurred on R&D is capitalized and depreciation on the same is provided for on WDV basis as per useful life mentioned in Schedule II of the Companies Act, 2013.

22. Provisions and contingent liabilities

Provisions:

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

23. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Provision for employee benefits

(i) Gratuity

The Company contributes to defined benefit schemes for Gratuity which is administrated through duly constituted and approved independent trust. The liability for Gratuity and Leave encashment is determined on the basis of actuarial valuation made at the year end.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) Method as prescribed by the Ind AS-19 - 'Employee Benefits', which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up final obligation.

(ii) Compensated Absences/Leave Encashment:

The Company also extends defined plans in the form of Compensated absences/leave encashment to employees. Provisions for compensated absences is made on actuarial valuation basis.

The company is exposed to various risks as regards its obligation towards gratuity benefit and leave salary which are as follows: (i) Interest Rate Risk, (ii) Liquidity Risk, (iii) Salary Escalation Risk, (iv) Regulatory Risk, (v) Market Risk and (vi) Investment Risk

Notes to Consolidated Financials Statements for the year ended 31st March, 2018**Note - 45****First time adoption of Ind AS**

These financial statements for the year ended 31st March, 2018 are the first financial statements the Company has prepared in accordance with Ind AS. For all periods up to and including the year ended 31 March 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under Section 133 of the Companies Act 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Accordingly, the Company has prepared financial statements which comply with Ind AS for year ended 31st March, 2018, together with the comparative information as at and for the year ended 31st March, 2017 and the opening Ind AS Balance Sheet as at 1st April, 2016, the date of transition to Ind AS.

In preparing these Ind AS consolidated financial statements, the Company has availed certain exemptions and exceptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in equity (retained earnings or another appropriate category of equity). This note explains the adjustments made by the Company in restating its Previous GAAP financial statements, including the Balance Sheet as at 1st April, 2016 and the financial statements as at and for the year ended 31st March, 2017.

(A) Mandatory Exceptions and Optional Exceptions availed:

IND AS 101 permits first time adopters certain exemptions from retrospective application of certain requirements under Ind AS. The Company has elected to apply the following optional exemptions and mandatory exemption under Ind AS 101:

i Estimates

On assessment of the estimates made under the Previous GAAP financial statements, the Company has concluded that there is no necessity to revise the estimates under Ind AS, as there is no objective evidence of an error in those estimates. However, estimates that were required under Ind AS but not required under Previous GAAP are made by the Company for the relevant reporting dates reflecting conditions existing as at that date.

ii Classification and Measurement of Financial Assets:

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

iii Fair Value of Financials Assets and Liabilities:

As per Ind AS exemption, the Company has not fair valued the financial assets and liabilities retrospectively and has measured the same prospectively.

iv Deemed Cost for Property, Plant and Equipment and Intangible Assets:

The Company has elected to measure all of its property, plant and equipment and intangible assets recognised as of 1st April, 2016 (the transition date), measured as per the Previous GAAP and use that carrying value as its deemed cost as of the transition date under Ind AS.

v Investments in Subsidiary:

The Company has elected to measure its investments in subsidiary the Previous GAAP carrying amount as its deemed cost on the date of transition to Ind AS.

Notes to Consolidated Financials Statements for the year ended 31st March, 2018**vi Current Borrowing:**

The Company has used its Previous GAAP carrying amount of the loan at the date of transition to Ind AS as the carrying amount of the loan in the opening Ind AS Balance Sheet.

(B) Notes to Reconciliations**i Fair value of Non-current Investments i.e. Equity Instruments, other than Investment in Subsidiaries and Associates:**

Under Previous GAAP, long-term investments were measured at cost less diminution in value other than temporary. Under Ind AS, these financial assets have been classified as fair value through Other Comprehensive Income (FVTOCI). On the date of transition to Ind AS, these financial assets have been measure at their fair value which is lower than the cost as per the previous GAAP. Therefore carrying amount of non-current investment in equity instruments (other than investment in subsidiaries, joint venture and associates) are increase by Rs. 2.89 Cr and recognized as gain in Other Comprehensive Income Reserve. These change do not effect profit / loss before tax for the year ended 31st March, 2017 because the investments have been classified as FVTOCI.

ii Other Comprehensive Income (OCI):

Under Previous GAAP, there was not concept of OCI. Under Ind AS, fair valuation of Equity Investments not held for trade (other than subsidiaries, Joint Ventures and Associates) and re-measurement of defined benefit plan liability are recognised in OCI.

iii Excise Duty:

Under Previous GAAP, revenue from sale of products was presented net of excise duty under revenue from operations. Whereas, under Ind AS, revenue from sale of products is inclusive of excise duty. Accordingly, Excise duty has been included in the cost of production, as it is a liability of the manufacturer, irrespective of whether the goods are sold or not.

iv Defined Benefit Obligation:

Under Previous GAAP, the actuarial gain / (loss) of defined benefit plans had been recognised in Statement of Profit and Loss. Under Ind AS, the remeasurement loss on net defined benefit plans for the year ended March, 2017 amounting to Rs. 2.94 Lacs is recognised in Other Comprehensive Income net of tax.

(C) Disclosures as required by Indian Accounting Standards (Ind AS) 101 First Time Adoption of Indian Accounting Standards

The following reconciliations provide the explanations and qualification of the differences arising from the transition from Previous GAAP to Ind AS in accordance with Ind AS 101:

- i Effect of Ind AS adoption on the Balance Sheet as at 31st March, 2017 and 1st April, 2016
- ii Effect of Ind As adoption on the Statement of Profit and Loss for the year ended 31st March, 2017
- iii Reconciliation of Equity as at 31st March, 2017
- iv Reconciliation of Total Comprehensive Income for the year ended 31st March, 2017
- v Effect of Ind AS adoption on the Cash Flow Statement for the year ended 31st March, 2017

Notes to Consolidated Financials Statements for the year ended 31st March, 2018

- 5 The Principal business of the Company is manufacturing of High/Medium/Low Carbon Ferro Manganese and Silico Manganese Slag which is facing challenges. Company is considering various projects in the manufacturing sector, including therein power generation and distribution. In the mean time the Company has on temporary basis parked the surplus in Fixed Deposits, Open-ended Mutual Funds and other investments. Considering the long term business plans of the Company and the nature of the investments that the Company has made, the Company has been advised that the provisions of Non Banking Finance Company Regulation do not apply to it. Based on these, in the opinion of the Board, the Company is not a Non Banking Finance Company defined in Section 45 I(f) of the Reserve Bank of India Act, 1934 (2 of 1934). The auditor have relied upon this expert advice and the decision of the board of the Board of Directors in this regard.
