NOTES

1. Pursuant to the General Circular numbers 20/2020, 14/2020, 17/2020 and 02/2021 issued by the Ministry of Corporate Affairs (MCA) and Circular number SEBI/HO/CFD/CMD1/CIR/P/2020/79 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 issued by the Securities and Exchange Board of India (SEBI) (hereinafter collectively referred to as “the Circulars”), companies are allowed to hold AGM through VC/OAVM, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC/OAVM. The deemed venue for the 25th AGM will be the registered office of the company i.e 20th Floor, Nirmal Building, Nariman Point, Mumbai 400021.
2. An Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013, in respect of special business to be transacted at the Annual General Meeting (AGM), as set out under Item No. 3 & 4 above and the relevant details of the Directors seeking re-appointment under Companies Act, 2013, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Secretarial Standards – 2 on General Meetings issued by the Institute of Company Secretaries of India is annexed thereto.
3. M/s. Parekh Sharma and Associates, Chartered Accountants, were appointed as Statutory Auditors of the Company at the 21st Annual General Meeting held on September 28, 2017. Pursuant to Notification issued by the Ministry of Corporate Affairs on May 07, 2018 amending section 139 of the Companies Act, 2013 and the Rules framed thereunder, the mandatory requirement for ratification of appointment of Auditors by the Members at every Annual General Meeting (“AGM”) has been omitted, hence the Company is not proposing an item on ratification of appointment of Auditor at this AGM.
4. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and the Route Map for the venue of AGM are not annexed to this Notice.
5. Participation of members through VC will be counted for the purpose of quorum for the AGM as per section 103 of the Companies Act, 2013 (“the Act”).
6. Institutional / Corporate Members are requested to send a scanned copy (PDF / JPEG format) of the Board Resolution authorizing its representatives to attend and vote at the AGM, pursuant to Section 113 of the Act, at npil_investor@khandelwalindia.com.
7. The Register of Members and Share Transfer Books of the Company will remain closed from **Wednesday, September 22, 2021 to Tuesday, September 28, 2021** (both days inclusive).
8. The Company’s equity shares are listed at Bombay Stock Exchange Limited, Phiroze Jeejeebhoy Towers, Dalal Street, Mumbai 400 001 and the Company has paid the Annual Listing Fees to the Bombay Stock Exchange for the Financial Year 2021-2022.
9. In terms of Section 72 of the Companies Act, 2013, and Rule 19 of the Companies (Share Capital and Debentures) Rules, 2014, every share holder of the Company may, at any time, nominate, in the prescribed manner, a person to whom his/her shares in the Company shall vest in the event of his/her death. Members, who wish to avail this facility, may fill the prescribed Form No. SH-13 (which will be made available on request) and submit these details to their DP in case the shares are held by them in electronic form, and to the Registrar and Transfer Agent, M/s. Link Intime India Private Limited, in case the shares are held in physical form.

10. Members seeking any information as regards the Accounts are requested to write to the Company at an early date, so as to enable the Management to keep the information ready at the meeting.
11. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request/ questions to the company via email (npil_investor@khandelwalindia.com) in advance from their registered email address mentioning their name, DP ID and Client ID/folio number, PAN, mobile numbers (7) seven days prior to the AGM. Those Members who have registered themselves as a speaker will only be allowed to express their views/ ask questions during the AGM on first in- first out basis. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.
12. The Directors' Report, Auditor's Report and Audited Financial Statements (Standalone and Consolidated) as at March 31, 2021 are enclosed.
13. Inspection of Documents - Register of Directors and Key Managerial Personnel and their shareholdings and Register of Contracts or Arrangements, in which Directors are interested, maintained under Sections 170 and 189 of the Act, 2013 will be available electronically for inspection by the Members during the AGM.
14. In compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2020-21 will also be available on the Company's website www.nagpurpowerind.com and website of the Bombay Stock Exchange at www.bseindia.com.
15. Members holding shares in physical mode and who have not updated their email addresses with the Company are requested to update their email addresses by writing to the Company at npil_investor@khandelwalindia.com along with the copy of the signed request letter mentioning the name and address of the Member, self-attested copy of the PAN card, and self-attested copy of any document (e.g.: Driving License, Election Identity Card, Passport etc.) in support of the address of the Member. Members holding shares in dematerialized mode are requested to register / update their email addresses with the relevant Depository Participants. In case of any queries/difficulties in registering the e-mail address, Members may write to npil_investor@khandelwalindia.com.
16. The members are requested to intimate any change in their address with PIN Code, immediately and quote Folio Number in all correspondence. They are also requested to bring their copy of Annual Report while coming to the meeting.
17. SEBI has vide its Notifications dated June 08, 2018 and November 30, 2018 mandated that securities of listed companies can be transferred only in dematerialized form from April 01, 2019. In view of the above and to avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form.
18. The Securities and Exchange Board of India (SEBI) has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participant(s). Members holding shares in physical form are required to submit their PAN details to the Registrar and Share Transfer Agents, Link Intime India Private Limited C 101, 247 Park, L B S Marg, Vikhroli West, Mumbai 400 083 , Maharashtra.
19. ***To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with M/s. Link Intime India Private Limited/Depositories.***
20. **Process and manner for members opting for Remote e-voting are as under:**

In terms of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company has engaged the services of CDSL to provide the facility of electronic voting ('e-voting') in respect of the Resolutions proposed at this AGM.
21. **Process and manner for members opting for Remote e-voting are as under:**

In terms of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company has engaged the services of CDSL to provide the facility of electronic voting ('e-voting') in respect of the Resolutions proposed at this AGM.

A. The instructions for Shareholders voting electronically are as under:-

 - (i) The remote e-voting period begins on Saturday, September 25, 2021 (9:00 AM) and ends on Monday, September 27, 2021 (5:00 PM). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Tuesday, September 21, 2021, may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

EXPLANATORY Statement

(pursuant to Section 102(1) of the Companies Act, 2013)

Item No. 3**APPROVAL FOR RELATED PARTY TRANSACTIONS UNDER SECTION 188 OF THE COMPANIES ACT, 2013**

Section 188 of the Companies Act, 2013 provides that except with the consent of the Board of Directors given by a resolution at a meeting of the Board and subject to such conditions as prescribed in rules framed in this regard, no company shall enter into any contract or arrangement with a related party with respect to transactions specified therein. It is further provided that in case of a company having paid-up share capital of not less than such amount or transactions not exceeding such sums as are prescribed in the rules framed in this regard, no contract or arrangement shall be entered into except with the approval of the company by an ordinary resolution. It is further provided that nothing in this sub-section shall apply to any transaction entered into by the company which are entered in its ordinary course of business and are at arm's length.

Prior approval of shareholders is required for the transactions that are not in the ordinary course of business and not at an arm's length basis. Though your Company always seeks to enter into transactions with related parties in the ordinary course of business and/or at arm's length basis, still as a better corporate governance measure, it is considered desirable to have the consent of the Members in respect of related party transactions.

Pursuant to rule 15(3) of Companies (Meetings of Board and its Powers) Rules, 2014, the nature of transactions with the related parties is provided in the said resolution.

The transactions entered with the Related Parties, were placed before the Audit Committee. The said transactions were approved and recommended to the Board.

The members are further informed that no member(s) of the Company being a related party or having any interest in the resolution as set out at item No. 3 shall be entitled to vote on this Ordinary Resolution.

None of the Directors other than those representing the related parties, Key Managerial Personnel's of the Company or their relative(s) are interested and/or concerned with the said Resolution.

The Board of Directors recommends the Resolution at Item No. 3 of the accompanying Notice for the approval of the Members of the Company as an Ordinary Resolution.

Item No. 4**APPROVAL FOR SHIFTING OF REGISTERED OFFICE ADDRESS OF THE COMPANY**

As per provisions of Section 12(5) of the Companies Act, 2013, shifting of registered Office of a Company outside the local limits of any city or town requires approval of Shareholders by way of Special Resolution.

At present, the Company's Registered Office is situated at 20, Nirmal, Nariman Point, Mumbai 400 021, Maharashtra. For operational and administrative convenience, the management is contemplating a change in the Registered Office of the Company from 20, Nirmal, Nariman Point, Mumbai 400 021, Maharashtra to Gyan Baug, Motwane Road, Nashik Road, Nashik-422101, Maharashtra. The management is quite hopeful that the shifting of the Registered Office as aforesaid will be in the best interests of the Company, its shareholders and all other concerned stakeholders. The proposed shifting of the registered office is not prejudicial to the interests of any party of the Company. Pursuant to the provisions of Section 13 of the Companies Act, 2013, the shifting of Registered Office of a company within the state requires approval of shareholders by way of a Special Resolution. Approval of the shareholders is, therefore, sought for shifting of Registered Office of the Company from the from 20, Nirmal, Nariman Point, Mumbai 400 021, Maharashtra to Gyan Baug, Motwane Road, Nashik Road, Nashik-422101, Maharashtra. The Board of Directors of your Company, therefore, recommends the Resolution to be passed as a Special Resolution by the members.

None of the Directors other than those representing the related parties, Key Managerial Personnel's of the Company or their relative(s) are interested and/or concerned with the said Resolution.

The Board of Directors recommends the Resolution at Item No. 4 of the accompanying Notice for the approval of the Members of the Company as a Special Resolution.

Loans, Guarantees or Investments

Details of Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013 form part of the notes to the financial statements provided in this Annual Report.

Management Discussion and Analysis**a) Economy review:**

The long-term growth perspective of the Indian economy is changing due to continued investments in infra in Transmission and Distribution, railways and metro's, lighting and digital initiatives, Stable policies and good initiatives like smart cities. Your Company (through its Subsidiary) is in the business of manufacturing electrical test and measurement equipments, a significant portion of which is supplied to the power sector which has continued to be affected by the political & economic situation. We were hoping to see a gradual recovery but the first quarter of 2021 saw an unprecedented outbreak of second wave of COVID-19 pandemic which again caused disruption of economies around the world and dampened the already bleak economic prospects. It has proved to be one of the most damaging events of human history and believed to have deep and cascading impact across the entire economic chain.

b) Business and Industrial review and future outlook:

The Company mainly operated on Metal Recovery Plant and produces Low Ferro Manganese (Slag) through its slag recovery process. However, the re-useable waste of fine particles remaining in the manganese slag which was dumped at various places at the factory site is depleting and it is uncertain how much slag is left. The technical consultants are also of the same view.

The management of the Company has foreseen this & thus entered another segment of business couple of years earlier via a majority stake in "The Motwane Manufacturing Company Private Limited" (MMCPL), now a subsidiary company and is looking to develop its business in electrical sector. The company is also looking at other business opportunities including monetizing its assets and redeployment of the same in better business opportunities.

During the year, MMCPL has entered into share purchase agreement dated 10th March, 2021 with the promoters of Telemetrics Equipments Private Limited to acquire 100% Stake by way of purchase of shares of all the shareholders of the said company. In terms of the agreement, 50% shares have been acquired on 12th March and balance shares will be acquired within 11 months from the date of the agreement. Telemetrics Equipments Private Limited is into manufacturing of underground cable fault equipments.

c) Risks, Concerns & Threats and Impact of Covid – 19 on business:

Our Registered Office at Mumbai and Factory at Nagpur were closed intermittently during the year as the national restrictions in the country. The outbreak of COVID -19 pandemic and the consequent announcement of series of lockdowns and other restrictions by the government have affected the financial performance of the Company due to which the total revenue of the Company will have an impact.

Further, the lockdown has had an adverse impact on the business of our subsidiary company "The Motwane Manufacturing Company Private Limited". The factory of the company had to be kept closed for a substantial period of time. As present the factory is functioning in accordance with the local & national business operating rules.

Although the lockdown has been lifted to a certain extent, but the Company continues to provide the "Work from Home" facility to its employees, so as to avoid the risk associated with the said pandemic.

The Company has taken all necessary steps to adhere to the guideline for social distancing with various directives issued by the Central/State Government and has put safety measures which include: – Sanitization of Premises, Enforcing wearing of masks and Hand sanitizer at entry point, etc. Thus, any employees who need to come to office they have to follow all the rules and regulations. The company is providing transport facilities and employees have to follow social distancing at all times.

Due to the unpredictable nature of the situation, it is very early & difficult to assess the actual future impact of COVID-19 with reasonable certainty. With the opening of domestic markets post lockdown, we expect business to improve gradually in the coming months.

Further, depletion of slag dumps posed a major problem for the Company. In order to counter this, the Company entered into another business through its subsidiary company and is looking to develop it. The Management of the Company meets frequently to take the stock of all the impending and immediate threats to the business and takes necessary steps for positioning of the Company to meet the same in time. Any major threats affecting the Company in general and business environment indirectly affecting the functioning of the Company are discussed with the Board from time to time.

d) Internal Control Systems:

The Company has adequate internal control systems in place with reference to the financial statements. The Audit Committee of the Board periodically reviews the internal control systems with the management, Internal Auditors and Statutory Auditors and the adequacy of internal audit function, significant internal audit findings and follow-ups thereon.

e) Financial Performance / Overview of Operations:

During the year under review, the revenue from operation of the Company during the year was Rs. 0.81 Lakhs as compared to Rs. 14.88 Lakhs in the previous year.

Subsidiary Company and Consolidated Statements

Your Company has one subsidiary i.e 'The Motwane Manufacturing Company Private Limited' (MMCPL). During the financial year 2020-21, total standalone revenue of MMCPL was Rs. 29.43 crores as compared to Rs. 31.12 crores in the previous financial year and the Company made a profit of Rs. 0.10 crores as compared to a loss of 5.14 crores in the previous financial year. MMCPL prepared the consolidation accounts for the first time this year. The consolidated revenue of MMCPL was Rs. 30.20 crores and the consolidated profit was Rs. 0.37 crores.

The Consolidated Financial Statement of your Company for the financial year 2020-21, is prepared in compliance with applicable provisions of the Companies Act, 2013, Accounting Standard and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Consolidated Financial Statements have been prepared on the basis of audited financial statements of the Company, its subsidiary, as approved by their respective Board of Directors.

Pursuant to sub-section (3) of section 129 of the Act, the statement containing the salient features of the financial statement of Company's subsidiary is given as AOC-1. Brief particulars about the business of the Subsidiary are given hereunder.

MMCPL is an R & D based company and has developed various high technology test and measurement products which have applicability in the domestic and international markets. The company's products are sold primarily to the power sector and energy intensive industries. The company expects gradual pick up in its order book due to growth and reform in the distribution sector in which the company operates. Alternatively, it is exploring its potential in the IOT space in adjacent areas like smart lighting and other IOT related smart & connected industrial solutions.

f) Material developments in human resources / industrial relations, including number of people employed:

The human resource plays a vital role in the growth and success of an organization. The Company has maintained cordial and harmonious relations with employees.

During the year under review, various training and development workshops were conducted to improve the competency level of employee with an objective to improve the operational performance of individuals. The Company has built a competent team to handle challenging assignments and projects.

The Company has 11 permanent employees as on March 31, 2021.

g) Details of Significant Changes:

Ratios	2021	2020
Debtors turnover ratio	-	-
Interest coverage ratio	910.74	(0.84)
Current ratio	32.73	146.80

Annexure I**SECRETARIAL AUDIT REPORT****For the Financial Year ended 31st March, 2021**

[Pursuant to section 204(1) of the Companies Act, 2013 and the Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members of
Nagpur Power and Industries Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Nagpur Power and Industries Limited** (CIN: L40100MH1996PLC104361) (hereinafter called "The Company"). We have conducted Secretarial Audit in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Due to restricted movement and COVID-19 pandemic, we have conducted the secretarial audit by examining the Secretarial Records including Minutes, Documents, Registers and other records etc., and some of them received by way of electronic mode from the Company and could not be verified from the original records. The management has confirmed that the records submitted to us are true and correct. Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2021 ("Audit Period"), generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 (SCRA) and the rules made there under;
- (iii) The Depositories Act, 1996 and the regulations and bye laws framed there under;
- (iv) The Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Director Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act);
 - a) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) SEBI (Prohibition of Insider Trading) Regulations, 2015;
 - c) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) Other specifically applicable laws to the Company during the period under review;
 - (i) Income Tax Act, 1961;
 - (ii) Goods and Service Tax;
 - (iii) Registration Act, 1908;
 - (iv) Indian Stamp Act, 1899;
 - (v) Indian Contract Act, 1872;
 - (vi) Negotiable Instrument Act, 1881;
 - (vii) Information Technology Act, 2000;

(viii) Prevention of Money Laundering Act, 2002;

(ix) Consumer Protection Act, 1986;

We have also examined compliance with the applicable clause of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India;

(ii) The Listing Agreement entered into by the Company with The Bombay Stock Exchange or Securities and Exchange Board of India (Listing Obligations And Disclosure Requirements) Regulations, 2015;

Based on the aforesaid information provided by the Company, we report that during the financial year under report, the Company has complied with the provisions of the above mentioned Act/s, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent applicable.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors, except that the Company among Top 2000 Listed Companies, was required to have Board of Directors comprising of at least 6 Directors with effect from 1st April, 2020, but the Company could only have managed to appoint 5th and 6th Director on 30th June, 2020, due to outbreak of COVID-19 pandemic and nationwide lockdown declared by the Government of India. The changes in the composition of the Board of Directors that took place during the period under review, if any, were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

Based on the information provided and the representation made by the Company, in our opinion there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period,

- i. Mr. Shyam Bapurao Kanburgi (Din No.01185605) was appointed as an Independent Director of the Company with effect from 30th June, 2020;

Annexure**Independent Auditors' Certificate on Corporate Governance**

To,
The Members of
Nagpur Power And Industries Limited

1. We, Parekh Sharma And Associates, the Statutory Auditors of NAGPUR POWER AND INDUSTRIES LIMITED ("the Company") have examined the compliance of conditions of Corporate Governance by the company, for the year ended 31 March 2021, as per Regulations 17 to 27, clauses (b) to (i) of sub regulation (2) of regulation 46 and para C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015.

MANAGEMENT'S RESPONSIBILITY

2. The compliance of the conditions of Corporate Governance is the responsibility of the management. This responsibility includes the design, implementation and maintenance of internal control and procedure to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulation.

AUDITOR'S RESPONSIBILITY

3. Our examination has been limited to examining of the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of accounts and other relevant records and documents maintained by the company for the purpose of providing reasonable assurance on the compliance with corporate governance required by the company.
5. We have carried out an examination of the relevant records of the company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountant of India (ICAI), the Standard on Auditing specified under section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificate for Special Purpose (Revised 2016) issued by the ICAI which required that we comply with the ethical requirement of the Code of Ethics issued by the ICAI.
6. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Review of Historical Financial Information, and Other Assurance and Related Services Engagements.

OPINION

Based on our examination of the relevant records and according to information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with condition of Corporate Governance as stipulated in regulation 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C and D of Schedule V of the Listing Regulation during the year ended 31 March 2021 except as mentioned below:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors, except that the Company among Top 2000 Listed Companies, was required to have Board of Directors comprising of at least 6 Directors with effect from 1st April, 2020, but the Company could only have managed to appoint 5th and 6th Director on 30th June, 2020, due to outbreak of COVID-19 pandemic and nationwide lockdown declared by the Government of India. Thus, BSE has levied a penalty, as prescribed under the Standard Operating Procedures issued by SEBI through its various circulars, for non-compliance of Reg.17 – Non appointment of 5th and 6th Director on the Board of Directors of the Company with effect from 1st April, 2020. The Company has filed an application with BSE, for waiver of penalty and the BSE has waived off entire penalty amount vide its communication dated 5th July, 2021.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To the Members of

Nagpur Power & Industries Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Nagpur Power & Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2021, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr. no	Key Audit Matters	Our Response
1.	<p>Defined benefit obligation</p> <p>The valuation of the retirement benefit scheme in the company is determined with reference to various actuarial assumptions including discount rate, future salary increases, rate of inflation mortality rates and attrition rates. Due to the size of these assumptions can have a material impact on the defined benefit obligation</p>	<p>We have examined the key controls over the process involving member data, formulation of assumptions and the financial reporting process in arriving at the provision for retirement benefits. We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purpose of our audit.</p> <p>We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlement, past service costs, remeasurements, benefits paid, and other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by the management in the actuarial valuations for retirement benefit obligations to be appropriate.</p>

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, Profit/(loss) (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

(A) As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and records.
- (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including other comprehensive income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31 March 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

(B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at 31st March 2021 on its financial position in its standalone financial statements - Refer Note 31 to the standalone financial statements;
- ii. The company did not have any long term contracts including derivatives contract for which there were any material foreseeable losses.
- iii. There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the company.

(C) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure A to the Independent Auditors' Report

With reference to the Annexure A referred to in the Independent Auditors Report to the members of the Company on the standalone financial statements for the year ended 31st March 2021, we report the following:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As explained to us, the fixed assets have been physically verified by the management during the year in accordance with a phased program of verification which, in our opinion, is reasonable having regards to the size of the company and nature of its fixed assets. The discrepancies noticed on verification between the physical fixed assets and the books records were not material having regard to nature and size of the operations of the company and the same have been properly dealt with in the books of accounts.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties included in fixed assets are held in the name of the current or former name of the company.
- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory. The discrepancies noticed on verification between the physical stock and the book records were not material.
- (iii) According to the information and explanations given to us, the Company has granted loans to one party covered in the register maintained under Section 189 of the Act.
- (a) The above loan has been given to an entity at an interest rate of 10% p.a. wherein the company has also made a strategic investment in its Equity and is without any stipulated as regards to its repayment. In view of the controlling interest and long strategies of the management the terms and conditions of this loan are not, prima facie, prejudicial to the interest of the company.
- (b) In view of what is stated in (a) above, there is no schedule of repayment of principal and payment of interest. There is part repayment during the year.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act, with respect to the loans given, investments made, guarantees and securities given.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Section 73 to 76 of the Act, any other relevant provisions of the Act and the relevant rules framed thereunder.
- (vi) The Central Government has not prescribed the maintenance of cost records under Section 148 of the Act for any of the services rendered by the Company.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident fund, Employees' State Insurance, Income-tax, Goods and Services tax, duty of Customs, Cess and other material statutory dues have generally been regularly deposited during the year by the Company with the appropriate authorities.
- According to the information and explanations given to us, no undisputed amounts payable in respect of Provident fund, Employees' State Insurance, Income-tax, Goods and Services tax, duty of Customs, Cess and other material statutory dues were in arrears as at 31st March 2021, for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no dues of Income-tax or Sales tax or Service tax or Goods and Services tax or duty of Customs or duty of Excise or Value added tax which have not been deposited by the Company on account of disputes, except for the following:

Name of the Statute	Nature of the Dues	Amount (Rs. in lakhs)	Forum where dispute is pending
The Income-tax Act, 1961	Income-tax	4.69	Commissioner of Income tax

Name of the Statute	Nature of the Dues	Amount (Rs. in lakhs)	Forum where dispute is pending

Annexure B to the Independent Auditors' Report on the accounts for the year ended 31st March 2021.**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls with reference to standalone financial statements of Nagpur Power and Industries Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31st March 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Because of the matter described in Disclaimer of opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

3. Basis of Preparation

The standalone financial statements of the Company have been prepared and presented on the going concern basis and at historical cost except for the following assets and liabilities which have been measure at fair value.

- Certain financial assets and liabilities at fair value (refer accounting policy regarding financial instruments)
- Employee's Defined Benefit Plan as per actuarial valuation

4. Functional and Presentation Currency

The standalone financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

5. Use of Estimates

The preparation of standalone financial statements in conformity with the Indian Accounting Standards requires judgments, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosures of contingent liabilities on the date of the standalone financial statements and the reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

6. Classification of Assets and Liabilities as Current and Non-Current

All assets and liabilities are classified as current and non-current as per the Company's normal operating cycle, and other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time lag between the acquisition of assets for processing and their realization in cash and cash equivalents, 12 months period has been considered by the Company as its normal operating cycle.

7. Overall Consideration

The standalone financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

8. Revenue Recognition**Sale of goods**

The Company recognizes revenue from sale of goods measured at the fair value of the consideration received or receivable, upon satisfaction of performance obligation which is at a point in time when control of the goods is transferred to the customer, generally on delivery of the goods. Depending on the terms of the contract, which differs from contract to contract, the goods are sold on a reasonable credit term.

Sale of services

Sale of services are recognized on satisfaction of performance obligation towards rendering of such services.

Dividend and interest income

Notes to Financial Statements for the year ended 31st March, 2021

Dividend from investments are recognized in profit or loss when the right to receive payment is established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

9. Property Plant and Equipment

Property, plant and equipment are stated at acquisition or construction cost less accumulated depreciation and impairment loss. Cost comprises the purchase price and any attributable cost of bringing the assets to its location and working condition for its intended use, including relevant borrowing costs and any expected costs of decommissioning.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

The cost of an item of PPE is recognized as an assets if, and only if, it is probable that the economic benefits associated with the item will flow the Company in future periods and the item can be measured reliably. However, cost of excludes indirect taxes to the extent credit of the duty or tax is availed as set off.

Items such as a spare parts, standby equipment and servicing equipment are recognized as PPE when it is held for use in production or supply of goods or services, or for administrative purpose, and are expected to be used for more than one year. Otherwise such items are classified as inventory.

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from the continued use of assets. Any gain or loss arising on the disposal or retirement of an item of PPE, is determined as the difference between the sales proceeds and the carrying amount of the assets and is recognized in the Statement of Profit and Loss.

Capital Advance given towards acquisition or construction of PPE outstanding at each reporting date are disclosed as Capital Advances under Other Non-current Assets.

Expenditure incurred after the PPE have been put into operations, such as repairs and maintenance expenses are charged to the Statement of Profit and Loss during the period in which they are incurred.

10. Depreciation and Amortization

Depreciation is recognized on a straight-line basis, based on the useful life of the assets as prescribed under Schedule II of the Companies Act, 2013, except in respect of certain category of assets, where useful life is exceeding those prescribed in Schedule II based on the Chartered Engineer's Valuation Certificate namely:

Assets where useful life differs from Schedule II:

Description	Range of Useful lives in years
Buildings	3 – 10 years
Plant & Equipment	7 - 10 years
Heavy Vehicle	2 years
Office Equipment's	3 - 4 years
Railway Siding	7 years

Depreciation on assets purchased / sold during the period is proportionately charged. The residual value for all the above assets are retained at 5% of the cost. Residual values and useful lives are reviewed and adjusted, if appropriate, for each reporting period.

11. Intangible Assets

Intangible assets are stated at cost of acquisition, less accumulated amortization/depletion and accumulated impairment losses, if any, are amortized over a period of 3 years.

Expenditure incurred on development is capitalized if such expenditure leads to creation of any intangible assets, otherwise, such expenditure is charged to the Statement of Profit and Loss.

Notes to Financial Statements for the year ended 31st March, 2021**12. Impairment of Assets**

At end of each reporting period, the Company reviews the carrying amounts of non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognized in the Statement of Profit and Loss.

13. Inventories

Inventories of raw materials are stated at lower of cost or net realizable value. Work in process is stated at cost. Stores, spares & tools are stated at cost except the obsolete/non usable stores, which are written off for obsolescence. Finished goods and by-products/waste products where cost is ascertainable are stated at lower of cost or net realisable value and by-products / waste products where cost cannot be determined are stated at net realisable value. The reusable waste, which is not ascertainable, is not accounted.

14. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short- term highly liquid investments with original maturities of three months or less.

15. Segment reporting

The Company is principally engaged in extraction of 'High / Medium / Low Carbon Ferro Manganese and Silico Manganese Slag' which is the only Operating reportable segment as per IND AS 108.

16. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

17. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

18. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in standalone financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit.

Notes to Financial Statements for the year ended 31st March, 2021

Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in subsidiaries.

19. Employee Benefits**Short-term obligations:**

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Defined Contribution Plans:

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

20. Lease:

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019 as per Ind As 116.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the

Notes to Financial Statements for the year ended 31st March, 2021

carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

21. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

22. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability. Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the standalone financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

23. Investment in Subsidiaries

The investments in subsidiaries are carried in these standalone financial statements at historical cost except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for as Non-current assets held for sale and discontinued operations.

When the Company is committed to a sale plan involving disposal of an investment, or a portion of an investment, in a subsidiary, the investment or the portion of the investment that will be disposed of is classified as held for sale when the criteria described above are met.

Any retained portion of an investment in a Subsidiary that has not been classified as held for sale continues to be accounted for at historical cost.

24. Financial Instruments**Initial Recognition and Measurement:**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs,

Notes to Financial Statements for the year ended 31st March, 2021

except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business. They are recognised at their transaction and services availed value as the same do not contain significant financing component.

Classification and Subsequent Measurement:**Financial Assets:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset
 - A Financial Asset is measured at amortised cost if both of the following conditions are met:
 - (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
 - (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI (FVTOCI). All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiaries and Associates are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiaries at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognize a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments**Classification as Debt or Equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with

Notes to Financial Statements for the year ended 31st March, 2021

the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:**Financial liabilities are classified, at initial recognition:**

- at fair value through Profit or Loss,
- Loans and borrowings, Payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in IND AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

25. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Provision for employee benefits

(i) Gratuity

The Company contributes to defined benefit schemes for Gratuity which is administrated through duly constituted and approved independent trust. The liability for Gratuity and Leave encashment is determined on the basis of actuarial valuation made at the year end.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) Method as prescribed by the Ind AS-19 - 'Employee Benefits', which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up final obligation.

(ii) Compensated Absences/Leave Encashment:

The Company also extends defined plans in the form of Compensated absences/leave encashment to employees. Provisions for compensated absences is made on actuarial valuation basis.

The company is exposed to various risks as regards its obligation towards gratuity benefit and leave salary which are as follows:

Note - 33**Financial Instruments : Fair values Measurement****(A) Accounting Classification and Fair Value Hierarchy**

Carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy, are presented below. It does not include the fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments:

Level 1: Inputs are quoted prices in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2: Inputs other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3: If one or more significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity instruments and certain debt instruments which are valued using assumptions from market participants.

Financial Instruments : Financial Risk Management

The Company's activities exposes it to various risk such as market risk, liquidity risk and credit risks. This section explains the risks which the Company is exposed to and how it manages the risks.

The Board of Directors ('Board') oversee the management of these risks through its Risk Management Committee. The Company's Risk Management Policy has been formulated by the Risk Management Committee and approved by the Board. The Policy articulates on the Company's approach to address uncertainties in its endeavor to achieve its stated and implicit objectives. It also prescribes the roles and responsibilities of the Company's management, the structure for managing risks and the framework for risk management. The framework seeks to identify, assess and mitigate risks in order to minimize potential adverse effects on the Company's financial performance.

The Board of Directors reviews and agrees on policies for managing each of these risks, which are summarized below. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Trade receivables, Other Cash and cash equivalents, Bank balances other than cash and cash equivalents, Security deposits, Loans and other financial assets	Credit ratings and Ageing analysis	Diversification of counterparties, investment limits, check on counterparties basis credit rating and number of overdue days
Liquidity Risk	Borrowings, Trade payables, Deposits from dealers and other financial liabilities	Maturity analysis	Preparing and monitoring forecasts of cash flows and maintaining sufficient cash and cash equivalents
Market Risk- Foreign Exchange	Financial assets and liabilities denominated in other than functional currency	Sensitivity analysis	Exposure limits
Market Risk- Price risk	Investment in equity instruments	Sensitivity analysis	Strategic investment
Market Risk- Interest rate risk	Security deposits	Sensitivity analysis	Periodical reset of interest rate linked to market

1 Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivable from customers and loans and advances.

The carrying amount of following financial assets represents the maximum credit exposure:

(i) Trade receivables

Exposure to credit risk is influenced mainly by the individual characteristics of each customer in which it operates. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business.

However Company is providing credit period of 15 days only to some specific customers and in other case, Company has collecting advance against sales. Therefore on reporting date all debtors were realized. Accordingly, requirement of provision is not arised.

(ii) Financial assets other than trade receivables

Credit risk from balances with banks and financial institutions is managed by the CFO in accordance with it's policy. Surplus funds are parked only within approved investment categories . Investment category is periodically reviewed by the Company's Board of Directors.

The Company held cash and cash equivalents of Rs.5.81 Lakhs as on 31st March, 2021 (Previous year ' Rs.6.48 Lakhs). The cash and cash equivalent's are held with bank counterparties with good credit ratings.

Notes to Financial Statements for the year ended 31st March, 2021

2 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Company's reputation.

Maturity profile of financial liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

As on 31st March, 2021		Amount in Rs.		
Particulars	Working Capital Borrowings	Trade Payables	Other Financial Liabilities	
(I) Carrying Amount	4,618,797	1,183,491	223,300

Less than 12 months	125,838	127,224	-	
More than 12 months	-	1,178,543	223,300	

Maturity profile of liquid financial assets**Surplus fund Investments in Equity, Mutual Funds, Bonds and short-term deposits etc.**

Period	Carrying Amount	Less than 12 months	More than 12 months
31st March, 2021	430,697,368	203,355,335	227,342,033
31st March, 2020	450,231,180	237,408,563	212,822,617

Company's surplus funds are more than to total borrowings outstanding as on 31st March, 2021. Hence, the liquidity risk is very low.

3 Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices - will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. Management exposed to market risk primarily related to the market value of investments and interest rate risk. Thus, our exposure to market risk is function of investing and borrowing activities only.

4 Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing investments because of fluctuations in interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing investments will fluctuate because of fluctuations in interest rates.

Independent Auditors' Report

To the Members of

Nagpur Power and Industries Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Nagpur Power and Industries Limited (hereinafter referred to as "the Holding Company") and its subsidiary 'The Motwane Manufacturing Company Private Limited (Holding Company and its subsidiary together referred to as "the Group")', which comprise the consolidated balance sheet as at 31 March 2021, and the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2021, of its consolidated loss and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S r . no	Key Audit Matters	Our Response

We tested the controls for determining the actuarial assumptions and the approval of those assumptions by senior management. We found these controls were designed, implemented and operated effectively, and therefore determined that we could place reliance on these key controls for the purpose of our audit.</p> <p>We tested the employee data used in calculating the obligation and where material, we also considered the treatment of curtailments, settlement, past service costs, remeasurements, benefits paid, and other amendments made to obligations during the year. From the evidence obtained, we found the data and assumptions used by the management in the actuarial valuations for retirement benefit obligations to be appropriate.</p>

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information

comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management Responsibility for the Consolidated Financial Statements

The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each entity and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the entity has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group (Holding company and subsidiaries) to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of the subsidiary company, namely, Motwane Manufacturing Company Private Limited whose consolidated financial statement reflects total assets of Rs. 3626.72 Lacs as at 31st March 2021, total revenue of Rs.2995.74 Lacs and profit after tax of Rs.37.01 Lacs for the year ended on that date, as considered in the consolidated Financial Statement. These Consolidated Financial statement and other information have been audited by the other auditor whose report has been furnished to us by the management, and our opinion on the Consolidated financial statement, in so far as it relates in terms of sub-section (3) and (11) of section 143 of the Act, in so far as it relates to the aforesaid associate, is based solely on the report of the other auditor.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in Annexure A.
- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2021 on the consolidated financial position of the Group. Refer Note 40 to the consolidated financial statements.
 - ii. The company did not have any long term contracts including derivatives contract for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India during the year ended 31 March 2021.
- C. With respect to the matter to be included in the Auditors' report under Section 197(16) :

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the accounts for the year ended 31st March 2021.**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of Nagpur Power And Industries Limited ("the Holding Company") as of 31 March 2021, we have audited the internal financial controls with reference to the financial statements of the Holding Company and its subsidiary, which are incorporated in India as of that date.

Opinion

In our opinion, the Holding Company and its subsidiaries which are incorporated in India, have, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2021, based on the internal control with reference to financial statements criteria established by the Holding Company and its subsidiaries which are incorporated in India, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the act on the adequacy and operation effectiveness of the internal financial controls over financial reporting in so far as it related to a subsidiary company incorporated in india, based on the corresponding report of the auditor of such company.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiaries which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding company and its subsidiaries, which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective entity's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system with reference to financial statements of the Holding Company and its subsidiaries which are incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect

the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financials Controls with reference to Financials Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements may become inadequate because of changes in the conditions or that the degree of compliance with the policies or procedures may deteriorate.

If any such indication exists, the recoverable amount of the assets is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

13. Cash and Cash equivalents and Cash Flow Statement

Cash and cash equivalents comprise cash on hand and demand deposits, together with other short-term, highly liquid investments maturing within three months from the date of acquisition and which are readily convertible into cash and which are subject to only an insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby Profit or Loss before tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In the cash flow statement, cash and cash equivalents include cash in hand, cheques on hand, balances with banks in current accounts and other short-term highly liquid investments with original maturities of three months or less.

14. Segment reporting**Identification of segments**

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Group's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available.

The CODM assesses the financial performance and position of the Group and makes strategic decisions. The Group's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets.

Allocation of common costs

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Inter-segment transfers

Inter-segment revenue has been accounted for based on the transaction price agreed to between segments which is based on current market prices.

Notes to Consolidated Financial Statements for the year ended 31st March, 2021**Unallocated items**

Revenue, expenses, assets and liabilities which relate to the Group as a whole and not allocable to segments on reasonable basis have been included under 'unallocated revenue / expenses / assets / liabilities'.

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the consolidated financial statements of the Group as a whole. Operating segment is reported in a manner consistent with the internal reporting provided to Chief Operating Decision Maker (CODM).

15. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed in the period in which they are incurred under finance costs.

16. Foreign Exchange Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction.

At end of each reporting period, monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates prevailing on that date. Non-monetary items that are measured in terms of historical cost in a foreign currency, are not retranslated.

Exchange difference on monetary items are recognised in the Statement of Profit and Loss in the period in which these arise.

17. Income Taxes

Tax expense recognized in the Statement of Profit and Loss comprises the sum of deferred tax and current tax not recognized in other comprehensive income or directly in equity.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the Balance Sheet approach on temporary differences between the carrying amounts of assets and liabilities in financial statements and the amount used for taxation purposes.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

Deferred tax assets are recognized to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilized against future tax liability. This is assessed based on the Company's forecast of future earnings, excluding non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Deferred tax liabilities are generally recognized in full, although Ind AS 12 'Income Taxes' specifies some exemptions.

Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for specified period of time, hence, it is presented as Deferred Tax Assets.

As a result of these exemptions the Company does not recognize deferred tax liability on temporary differences relating to goodwill, or to its investments in associates.

18. Employee Benefits**Short-term obligations:**

Short term obligations are those that are expected to be settled fully within 12 months after the end of the reporting period. They are recognised up to the end of the reporting period at the amounts expected to be paid at the time of settlement.

Other Long-term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after end of the period in which the employees render the related service.

Long-term compensated absences are provided for on the basis of an actuarial valuation at the end of each financial year. Actuarial gains / losses, if any, are recognised immediately in Statement of Profit and Loss.

Notes to Consolidated Financial Statements for the year ended 31st March, 2021**Defined Contribution Plans:**

Contribution payable to recognised provident funds, which are substantially defined contribution plans, is recognised as expense in the Statement of Profit and Loss, as they are incurred.

Defined Benefit Plan:

The obligation in respect of defined benefit plan, which covers Gratuity, is provided for on the basis of an actuarial valuation at the end of each financial year. Gratuity is funded with an approved trust.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur.

Re-measurement recognised in other comprehensive income is reflected immediately in OCI Reserve and will not be reclassified to Statement of Profit and Loss.

Bonus Payable:

The Company recognised a liability and an expense for bonus. The Company recognised a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

19. Lease

The Company, at the inception of a contract, assesses whether the contract is a lease or not lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a time in exchange for a consideration. This policy has been applied to contracts existing and entered into on or after April 1, 2019 as per Ind As 116.

The Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the Company's incremental borrowing rate. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate of the amount expected to be payable under a residual value guarantee, or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset, or is recorded in profit or loss if the carrying amount of the right-of-use asset has been reduced to zero.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense over the lease term.

In the comparative period, leases under which the Company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower. Lease payments and receipts under operating leases are recognised as an expense and income respectively, on a straight line basis in the statement of profit and loss over the lease term except where the lease payments are structured to increase in line with expected general inflation.

20. Trade receivable

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business. If the receivable is expected to be collected within a period of 12 months or less from the reporting date (or in the normal operating cycle of the business, if longer), they are classified as current assets otherwise as non-current assets.

Trade receivables are measured at their transaction price unless it contains a significant financing component or pricing adjustments embedded in the contract.

Notes to Consolidated Financial Statements for the year ended 31st March, 2021**21. Financial Instruments****Initial Recognition and Measurement:**

Financial assets (other than trade receivables) and financial liabilities are recognized when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through Statement of Profit and Loss which are measured initially at fair value.

Trade receivables are recognised at their transaction value as the same do not contain significant financing component.

Trade payable is in respect of the amount due on account of goods purchased in the normal course of business are recognised at their transaction value as the same do not contain significant financing component.

Classification and Subsequent Measurement:**Financial Assets:**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income (FVTOCI) or fair value through profit or loss (FVTPL) on the basis of both

- (a) Business model for managing the financial assets, and
- (b) The contractual cash flow characteristics of the financial asset

A Financial Asset is measured at amortised cost if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset is measured at fair value through Other Comprehensive Income (FVTOCI) if both of the following conditions are met:

- (i) the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and
- (ii) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A Financial Asset shall be classified and measured at fair value through profit or loss (FVTPL) unless it is measured at amortised cost or at fair value through OCI. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Equity Investments:

Equity investments in Subsidiary are out of scope of Ind AS 109 and hence, the Company has accounted for its investment in Subsidiary at cost. All other equity investments are measured at fair value.

Equity instruments, which are held for trading are classified as at FVTPL. For equity instruments other than held for trading, the company has exercised irrevocable option to recognise in other comprehensive income subsequent changes in the fair value.

Derecognition of financial assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises an associated liability.

On derecognition of a financial asset, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

accumulated in equity is recognised in the Statement of profit and loss.

Financial Liabilities and Equity Instruments**Classification as Debt or Equity:**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Financial liabilities:

Financial liabilities are classified, at initial recognition:

- at fair value through Profit or Loss,
- loans and borrowings, payables, or
- as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and in the case of loans and borrowings and payables, they are recognised net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings, including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent Measurement:

The measurement of financial liabilities depends on their classification, as described below:

Financial Liabilities at FVTPL:

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

Financial liabilities designated upon initial recognition at FVTPL are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and Borrowings:

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and loss.

Derecognition of Financial Liabilities:

The Company de-recognises financial liabilities when and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability de-recognised and the consideration paid and payable is recognised in the statement of profit and loss.

22. Research and Development Expenses (R&D)

Revenue Expenditure – Revenue expenditure incurred on R&D is capitalized and is amortized equally over a period of five years. The same is shown in Fixed Assets Schedule (PPE).

Notes to Consolidated Financial Statements for the year ended 31st March, 2021

Capital Expenditure – Capital expenditure incurred on R&D is capitalized and depreciation on the same is provided for on WDV basis as per useful life mentioned in Schedule II of the Companies Act, 2013.

23. Provisions and contingent liabilities**Provisions:**

A Provision is recorded when the Company has a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Contingent liabilities:

Whenever there is possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognised because (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or (b) the amount of the obligation cannot be measured with sufficient reliability are considered as contingent liability.

Show cause notices are not considered as Contingent Liabilities unless converted into demand.

Contingent Assets:

Contingent assets are not recognised in the financial statements since this may result in recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related assets is not a contingent assets and is recognised.

24. Earnings per share

Basic earnings per share are calculated by dividing the Net Profit or Loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the Net Profit or Loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are considered for the effects of all dilutive potential equity shares.

Provision for employee benefits

(i) Gratuity

The Company contributes to defined benefit schemes for Gratuity which is administrated through duly constituted and approved independent trust. The liability for Gratuity and Leave encashment is determined on the basis of actuarial valuation made at the year end.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) Method as prescribed by the Ind AS-19 - 'Employee Benefits', which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up final obligation.

(ii) Compensated Absences/Leave Encashment:

The Company also extends defined plans in the form of Compensated absences/leave encashment to employees. Provisions for compensated absences is made on actuarial valuation basis.

The company is exposed to various risks as regards its obligation towards gratuity benefit and leave salary which are as follows: (i) Interest Rate Risk, (ii) Liquidity Risk, (iii) Salary Escalation Risk, (iv) Regulatory Risk, (v) Market Risk and (vi) Investment Risk
